

## **Education – Clinical Faculty and Student Orientation Requirements**

If you are a clinical student/trainee or faculty member doing in-facility student supervision, you must complete the following modules in preparation for your clinical rotation at the VA Roseburg Healthcare System. **These modules are mandatory and are required in order to meet Joint Commission and Office of Academic Affiliation regulations.** Your completion will be tracked and recorded in a training record kept in the Education Department and audits of these records will be conducted to ensure compliance. Failure to complete these required modules will result in revoking clinical privileges.

**Follow log-in instructions. Choose Roseburg as the Medical Center.**

**Print a certificate for each of the modules and make a copy of each to be turned into the Education Department by the academic program, 3 weeks prior to starting the clinical rotation.**

The VA Roseburg Healthcare System utilizes the Portland VA Medical Center website for completion of the following modules:

- Bloodborne Pathogens
- Do's and Don'ts for Medical Records
- Employee Ethics
- Environment of Care/Staff and Patient Safety
- Infection Control/Transmission precautions
- Student and Professional Staff Orientation
- Preventing Sexual Harassment
- VA Cyber Security Awareness Training
- Privacy Policy (HIPPA)
