Army Soldier strength varies between 1,200 and 1,600. ACAP participation by other servicemembers is difficult to predict because they have the option of going to service specific transition training at other locations in Europe.

In FY 12, less than 3 members of other services attended ACAP each month.

This schedule is effective Nov 7, 2012.

This transition training curriculum schedule is part of the Veterans Opportunity to Work (VOW) to Hire Heroes Act of 2011.

Reservations are required for all classes.
