POC: Customer Service Desk (475-6324)

FAQ 1: Answer:	Is the water safe to drink? Yes, Germany's potable water standards are among the highest in the world.
FAQ 2: Answer:	Why don't we do area spraying for mosquitoes? Area spraying is not legal under Host Nation environmental laws. For government controlled housing self help window screen material is available.
FAQ 3: Answer:	Why don't we have garbage disposals in kitchen sinks? Garbage disposals are not allowed because the sewage systems cannot handle it.
FAQ 4: Answer:	What's with recycling? Other than it's the right thing to do, it's also a legal requirement. Pick up a copy of the recycling booklet for your area.
