

Welcome Back to School!

Sept 2012

Volume I

SCHOOL BUS TRANSPORTATION & SAFETY

Welcome back to school!

All of our school buses have been cleaned, serviced, inspected and are ready to roll. Now we get to do what we are here to do; transporting our future. We look forward to the beginning of another great school year.

Registration

Most if not all of you should have received your child's bus pass by now. We've found that our new process is quick and easy; No need to come by our office. Don't you agree? We do all of the work for you. Just contact us at your leisure and we are at your service.

EARLY RELEASE

21 Sep - ALL SCHOOLS

HOLIDAY

3 Sep - Labor Day

FIRST DAY OF SCHOOL

27 Aug - Start of School Year

4 Sep - Kindergarten

13 Sep - Sure Start

Schedules are subject to change

Customer Feedback

"Wow! I just moved here and my husband (USMC) left for an exercise on the Big Island, HI. I was so surprised to receive 2 phone calls checking to see if I received the bus passes I requested, along with a schedule of our route as well as the drop off and pick up times. It is such a help, especially since I am new to the island and doing everything for school without my husband-- thank you for the excellent customer service!"

"The entire staff has been great in enrolling my children into the system to obtain a bus pass and route. We just PCS'ed here and it has been a pleasant experience during our hectic inprocessing experience. Thank you."

"WOW...you are so helpful. This has been the only "easy" thing about our transition here thus far. Thank you again for your willingness to help out our family."

"I only had less then 2 weeks to find transportation for my son. Scott was very helpful with helping me find the closest bus stop to my sons current day care. And with school just around the corner we were cutting it close and he made sure that my son would be taken care of. He has relieved both of us (parents) of stress and confusion."

School Bus Safety

Each school year we remind all bus riders of the importance of being safe while in and around the school bus. Moving vehicles always present a danger. Help us by talking to your children about safety whether they ride the bus, ride a bike or walk to school. We will be conducting school safety training and evacuation drills soon. Ask your children about what they learned.
