

DF4: Electric & Natural Gas Bills Information from Agencies Data Form

Utility Information Survey Part A	DF4a
OMB control number XXXX-XXXX	
Introduction	
<p>Thank you for your prompt response to this data request which is part of the ARRA-period evaluation of the Weatherization Assistance Program. Evaluation results will provide essential feedback to the weatherization community and inform policymakers about the program's effects on clients' energy consumption, cost savings, and non-energy benefits.</p> <p>This data form collects detailed information about homes weatherized by your agency in Program Years 2009 and 2010. The data you supply will be used to characterize the program and collect utility billing histories pre- and post-weatherization to better understand energy savings attributable to the Weatherization Assistance Program during the ARRA period.</p> <p>All of the information obtained from this survey and from utilities will be protected and will remain confidential. The data will be analyzed in such a way that the information provided cannot be associated back to your state, your agencies, or the housing units and clients that your state served.</p>	
Instructions	
<p>Part A of the DF4 survey requests a list of the housing units and large multifamily buildings your agency weatherized in PY 2009* and PY 2010†.</p> <p>The evaluation team will use the information provided in Part A to randomly select a sample of housing units and large multifamily buildings weatherized by your agency. After the sample is determined, you will be asked to complete Part B by providing detailed information about sampled units: housing type, primary heating fuel, occupant demographics and utility account information.</p> <p>*For the purposes of this survey, Program Year 2009 is the WAP/ARRA funding year that includes the heating season spanning late 2009/early 2010.</p> <p>†For the purposes of this survey, Program Year 2010 is the WAP/ARRA funding year that includes the heating season spanning late 2010/early 2011.</p>	
<p>Public reporting burden for this collection of information is estimated to average 10 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Office of the Chief Information Officer, Records Management Division, IM-11, Paperwork Reduction Project (_____), U.S. Department of Energy, 1000 Independence Ave SW, Washington, DC, 20585-1290; and to the Office of Management and Budget (OMB), OIRA, Paperwork Reduction Project (_____), Washington, DC 20503.</p>
