USDA is an equal opportunity provider and employer

# Vision

*The NRCS in Colorado is the leading private lands conservation agency. High quality natural resource information and conservation planning are the foundations for effective program delivery. Partnerships are vibrant and focused to produce high value outcomes. A diverse workforce of skilled employees utilizing advanced technological products and tools and the best available information. Agency administration at all levels is streamlined with employees trained for proper program implementation. Outreach activities result in a focused message to employees, partners and producers.*

---

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisals, or because all or part of an individual's income is derived from any public assistance program. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD).

To file a complaint of discrimination, write to USDA, Director, Office of Civil Rights, 1400 Independence Avenue, SW, Washington, DC 20250-9410 or call (800) 795-3272 (voice) or (202) 720-6382 (TDD). USDA is an equal opportunity provider and employer.
