# RC TALKING POINTS

## **NAVY RESERVE: READY NOW. ANYTIME, ANYWHERE** ***Navy Reserve Strategic Plan Strategic Focus Area:*** ***ENABLE the Continuum of Service***

### ***One Navy, two components***

- Today's Navy functions as a seamless team, with an Active Component and a Reserve Component.
- No "us" and "them" – one total force.
- We must align our cultures, systems and procedures to enable the continuum of service.

### ***Continuum of service***

- No longer thinking in terms of "on ramps" and "off ramps" to active duty.
- All Sailors on one highway together.
- Moving from active to reserve and back should be as easy as changing lanes on the open road.
- We are working to make this happen – goal is a 72-hour transition from one component to another.

### ***Employer Of Choice***

- We are the Force that others want to join.
- The Navy (Active and Reserve) is a Top 50 Employer.
- Our diversity reflects the face of the nation.

### ***Continuum Of Service***

- We give Sailors options allowing them to achieve a true life/work balance while they "Stay Navy" and continue contributing to our warfighting effectiveness.
- Recruit once, retain for life!

### ***Service matters***

- We are committed to supporting the Fleet and Combatant Commands, ready and fully integrated.
- We value the contributions of each and every Reservist.
- We recognize service can and does vary from a few days a year to full-time service.

### ***Honoring our people, their families and their employers***

- Within our lifelines we must provide support to our Sailors, individually and proactively.
- We must stand ready to assist service members' families, whenever and wherever they need our help.
- We must recognize, respect, and honor the civilian employers whose support enables our Navy Reservists to serve our Navy and our Nation.

### ***Why it Matters***

- When we ENABLE the continuum of service, we ensure we are a strong and relevant part of the Navy's Total Force.
- By ENABLING the continuum of service, we are capable of living our Navy Reserve Motto: **Ready Now. Anytime, Anywhere.**

## **NRRM VERSION 3.0 –** ***Readiness Data at Your Fingertips***

### ***What is NRRM?***

The Navy Reserve Readiness Module is:

- Web-based, comprehensive data viewing system
- Consolidates, stores, and manages readiness information
- Provides high-level display and analysis of readiness data at specific levels.
- Consolidates data from sources like:
  - MRRS
  - NROWS
  - NMCMPs
  - PRIMs
  - NTMPs
  - RHS

### ***Purpose of NRRM***

The NRRM software provides:

- Enhanced visibility of readiness
- Supports fleet by providing general assessment of readiness of
  - Unit
  - Command
  - Individual Sailor
- Allows for rapid, current information flow

### ***What's new in NRRM 3.0?***

- Improved user-friendly interface
- Advanced reporting capability
- Ability to create custom groups
- Increased search capability
- Feedback tool to NRRM Customer Service.

### ***Training***

- Customized local training upon request.
- Available at NRPDC courses in New Orleans

*In order to access NRRM, users must first authenticate through the [Navy Reserve Web site](#).*

***For more information about NRRM 3.0 or to set up training, contact:***
