RC TALKING POINTS

NAVY RESERVE: READY NOW. ANYTIME, ANYWHERE *Monthly Communication Priority: Timely Force*

“As I testified on Capitol Hill, I reminded the Committee that on any given day, more than 30 percent of the Navy Reserve is providing support to Department of Defense operations in every corner of the world, shoulder-to-shoulder with Sailors, Soldiers, Airmen, Marines, and Coast Guardsmen. The Navy Reserve is ‘Ready Now, Anytime, Anywhere,’ as our motto, and our Sailors, proudly claim.”

- VADM Dirk Debbink, Chief of Navy Reserve

- The Navy Reserve delivers timely operational capabilities through our people and equipment.
- Navy Reservists serve alongside active component Sailors and deliver capabilities that are unmatched for quality.
- The Haiti earthquake disaster shows how the Navy Reserve is able to surge on a moment’s notice. While fully engaged in overseas contingency operations, the Navy Reserve was actively involved in Operation Unified Response.
- During the last two months, more than 950 Reserve Sailors provided more than 21,000 man-days of support to the humanitarian assistance and disaster relief efforts in Haiti.
- The Navy Reserve will continue to support current engagements and maximize our strategic value. We are a relevant force now and in the future - a force that is valued for its readiness, innovation, agility and accessibility.
- We consider it a privilege to serve during this important and meaningful time in our nation's defense, especially as Navy Reservists.

TRICARE & New Health Care Law

- TRICARE military health plan meets the standards set by the health care reform.
- Fears that Veterans health care and TRICARE will be undermined by the health reform legislation are unfounded.
- Health and well being of the Military are the highest priorities of the Secretary of Defense.
- Legislation of health care reform won't have a negative effect on TRICARE.
- TRICARE already meets the law's quality and minimum benefit standards.
- The Commander-in-Chief and the Secretary of Defense are committed to seeing that troops, retirees and their families will continue to receive the best quality health care.
- To give Veterans further assurance that health reform legislation will not affect their health care systems, the Chairmen of five House committees, including Veterans Affairs Chairman Bob Filner and Armed Services Chairman Ike Skelton, have just issued a joint letter reaffirming that the health reform legislation as written would protect those receiving care through all TRICARE and Department of Veterans Affairs programs.
