RC TALKING POINTS

NAVY RESERVE: READY NOW. ANYTIME, ANYWHERE **Monthly Communication Priority:** ***Honoring our People***

- Naval service is more than “just a job.” Our oath is “to support and defend the Constitution of the United States, against all enemies, foreign and domestic.” This is our covenant with our Nation. We honor this covenant with those Sailors and Federal civil servants serving today by doing all we can to ensure their service is truly meaningful, truly significant, and truly rewarding.
- We are in competition for the nation’s best talent. To attract, recruit, develop, assign, and retain the best talent, the Navy must continue to strive to be an “employer of choice,” sought by the nation’s best for a career of service to the Nation.
- The Navy has been nationally recognized for excellence in workforce planning, training, education, diversity, and life-work integration.
- Current, prospective, and former members see our Navy as one of the nation’s great workplaces, with “best in class” programs, policies, compensation, and a comprehensive continuum of care.
- It is important to acknowledge and honor the legacy of our retirees and former members of our Navy team by building upon their achievements. They have entrusted to us the world’s greatest Navy, and it is up to us to continue to defend the freedoms we inherited from them.
- We value our diverse, high-performing and mission-focused force. By honoring our Total Force, the Navy Reserve is a key element of the maritime force our nation and the 21st century demands today and in the future: “America’s Navy, A Global Force for Good.”

Foreign Language and Culture Pilot Program

The program allows Reservists, in specific designators and ratings to receive bonuses for completing certain language and culture studies programs at accredited colleges and universities. Eligibility for this program is established by OPNAVINST 1550.11.

Bonuses potentially could be as high as \$5,000 during a fiscal year.

To be eligible for the program enlisted members must have at least 24 months remaining on their service contract at completion of the last approved course. Officers must agree to continue serving as a selected Reservist for 24 continuous months following the end of the last approved course.

A course of study in critical languages and regional areas or cultural disciplines must meet certain criteria to be approved.

The course must be three or more credit hours and completed at an institution of higher learning which is accredited and recognized by the Department of Education.
