The definitive event for Latin America Agribusiness! Invitation to Exhibit in the USA Pavilion

RIBEIRÃO PRETO, SP, BRAZIL – APRIL 29 – MAY 3, 2013

AGRISHOW is the largest and most important event for agricultural machinery and equipment in Brazil, and an opportunity to present new technologies, products and production systems. It will give you the unique opportunity to introduce your products and services to Brazilian farmers, companies and local service providers.

Serving as an excellent platform to showcase state-of-the-art technologies, products and services, AGRISHOW represents the most important companies connected with agricultural machinery, irrigation equipment and related services, rural communication systems, precision agriculture devices, pumps, motors, accessories, fertilizers, and much more.

A Flashback to AGRISHOW 2012

- 150,000 Attendees.
- 780 exhibitors.
- More than US\$ 500 million in sales during the show.

Brazil's Global Ranking in Agribusiness Production		
Number 1	Number 2	Number 3
Coffee	Soybeans	Corn
Sugar Cane	Beef	Tropical Fruit
Oranges	Tobacco	Nuts
