Attached, for your information, is the FY 1992 Client Assistance Allotment Table. This table reflects the annual appropriated amount of \$9,141,000 under the Client Assistance Program. The Distribution factor column shown on the CAP Allotment Table is based on the 1990 Census figures.

The minimum allotment for States has increased from \$75,000 to \$100,000. The minimum allotment for territories remains at \$45,000.

Marshall Islands and the Federated States of Micronesia no longer participate in the Client Assistance Program; therefore, the funds for those entities have been redistributed to all States and Territories, except Palau.
