SUBJECT : Annual Allotment - Supported Employment and Independent
Living, Part A Program - FY 1992

CONTENT : Attached is your grant award under the Supported Employment and Independent
Living, Part A Programs. The enclosed awards represent the balance of your FY
1992 Supported Employment and Independent Living, Part A Program
allotments.

Attached, for your information, are the FY 1992 allotment tables for the Supported Employment and Independent Living, Part A Programs. These tables reflect the annual appropriated amount of \$31,065,000 under the Supported Employment Program and \$14,200,000 under the Independent Living, Part A Program. The Distribution factor column on both allotment tables is based on the 1990 Census figures.

Under the Supported Employment Program, Palau received 11.7% of the total amount allotted for the Trust Territories. The balance of those funds were redistributed to the other Territories.

Northern Mariana Islands and Palau did not participate in the Independent Living, Part A Program; therefore, those funds have been redistributed to all States and Territories.
