SUBJECT : FY 1993 Allotment Table and Grant Award for the Independent Living, Part  
B Program

CONTENT : Attached is the FY 1993 Allotment Table and the grant award for the  
Independent Living, Part B Program. This grant award is issued under the  
Rehabilitation Act of 1973 (the Act) and is subject to its amendments,  
including the provisions of the Rehabilitation Act Amendments of 1992. An  
FY 1993 appropriation of \$15,222,240 is available for allotment in this  
program. The original appropriation of \$15,500,000 has been reduced by .8  
percent and one percent was set aside for traditionally underserved  
populations.

The statute provides for a population distribution, but only after ensuring that  
funding is at least at the FY 1992 level for each State and that each State  
receives a minimum allotment of \$275,000 or one-third of one percent of the  
funds available, whichever is greater. This table assures that each State's  
allotment is not less than the amount of the allotment for FY 1992 (Section  
711 (a)(1)(B) of the Act). After assuring that each State's appropriated level  
is at least equal to the final FY 1992 level, there are insufficient funds to allot  
a minimum of \$275,000 (Section 711(a)(1)(C) of the Act) to all States.  
Therefore, the highest possible minimum (\$226,878) was applied.

1/ Under Development

Using this approach, \$15,222,224 has been distributed. The remaining \$16 will be distributed during the reallocation process in the fourth quarter of the Federal fiscal year.

Commissioner
