SUBJECT : FY 1995 Reallotment Schedule for Formula Grants  
under the Rehabilitation Act

CONTENT : The Rehabilitation Act of 1973, as amended, grants  
the Commissioner the authority to reallot to other  
grant recipients that portion of a recipient's  
annual grant that cannot be used. To maximize the  
use of appropriated funds under the formula grant  
programs, RSA establishes the following FY 1995  
reallotment schedules for the Basic Support (Title  
I); Independent Living, Part B (IL); Supported  
Employment (SE); Client Assistance (CAP); and  
Protection and Advocacy of Individual Rights (PAIR)  
Programs.

Each grant recipient will submit to its respective  
RSA Regional Office (RO), by the dates indicated,  
information as to whether or not it is  
relinquishing funds, is requesting additional  
funds, or will not seek to change its award level.  
The RSA RO will then report the information,  
provided by the grant recipients in its region, to  
the RSA Central Office (CO). The RSA CO will then  
issue award documents reflecting any reallotment  
change of funds.

In accordance with Section 19 of the Act, as added by the 1992 Amendments, any funds appropriated in FY 1995 to carry out the formula grant programs covered by this information memorandum, including original allotments and reallocated funds, that are not obligated or expended by recipients prior to October 1, 1995, may be carried over for obligation for an additional 12 months (no later than September 30, 1996), provided the recipient has fully met any matching requirement on the funds to be carried over by September 30, 1995.

Funds reallocated to another State are considered to be an increase to that State's allotment for the fiscal year for which funds were appropriated.

Unobligated Balances

To minimize unobligated balances, State agencies are strongly advised that proper recordkeeping is essential in order to identify obligations made. It is also essential that all State agencies work to minimize unobligated balances through better recordkeeping and methods for more timely and accurate estimates of obligations.

Cancellation of Reallotment

If, during the first reallotment, ample funds are not relinquished, RSA will exercise its discretion to cancel any scheduled reallotment for each program. RSA will notify the grantees that the reallotment has been canceled. Under the Title I program, each grantee will have the opportunity to reaffirm or change its reallotment request and report that information in the subsequent reallotment.
