SUBJECT: FY 1996 Allotment and the Annual Allotment Table for  
the Independent Living, Part B, Supported Employment,  
Client Assistance, and Protection and Advocacy of  
Individual Rights Programs

CONTENT: Attached is an initial final grant award, an adjusted  
final grant award and an Annual Allotment Table for  
the appropriate formula grant program for Independent  
Living, Part B, Supported Employment, Client  
Assistance, and Protection and Advocacy of Individual  
Rights Programs based on the 1996 Appropriation Act.  
These funds are allotted from October 1, 1995 through  
September 30, 1996.

Please note that due to the numerous Continuing  
Resolutions, grant awards were issued this fiscal year  
at various annual levels of funding. The cumulative  
awarded amount of the initial final grant award was  
adjusted to agree with the State's annual allotted  
amount listed in the Annual Allotment Table  
(attached). Therefore, the cumulative grant amount of  
the original grant award and the adjusted grant award  
differs.

The FY 1996 appropriation levels for the RSA formula  
programs, except the Basic Support Program, less the  
mandatory set asides provided for minorities under  
Section 21 of the Rehabilitation Act and for technical  
assistance as provided under Section 509 of the  
Rehabilitation Act are as follows:

Independent Living, Part B	\$21,640,410
Supported Employment	\$37,770,480
Client Assistance	\$10,119,000
Protection and Advocacy of	

Individual Rights

\$ 7,321,000

The minimum allotments under the Client Assistance Program for States is \$105,678 and for Territories, \$47,555.
