SUBJECT : Transmittal of Tape titled, "Enable, People with Disabilities and
Computers" with the Flying Karamazov Brothers

CONTENT: Enclosed is a videotape entitled, "Enable – People with Disabilities and
Computers" with The Flying Karamazov Brothers. The tape was
produced by Microsoft. The tape shows how technology can be used by
individuals with disabilities to enhance their communication and job
skills. The Rehabilitation Services Administration wants to share the
tape with our grantees as part of our efforts to promote high quality
jobs for individuals with disabilities. We suggest that grantees use the
tape as a marketing tool in talking to employers and the general public
about employment for people with disabilities.

If you have any questions regarding this tape, you may contact Ms. Beverlee Stafford, Acting Director, Planning, Policy and Evaluation staff, Room 3014, Switzer Building, 330 C Street, S.W., Washington, D.C. 20202-2550. Ms. Stafford may be reached at 202-205-8831.
