

DoDEA Community Strategic Plan

ParentConnection supports DoDEA's Community Strategic Plan Goal 1 and Goal 4.

Goal 1—Highest Student Achievement

Outcome 1A) All students will achieve or exceed proficiency levels aligned to clearly defined program standards. Individual student progress will be continually measured using multiple local and system-wide performance-based assessments.

Goal 4—Promoting Student Development through Partnerships and Communication

Outcome 4B) All schools, districts, areas, and headquarters will effectively communicate using a planned, systematic approach

Sometime over the next few weeks you will receive an information packet from your school with information on how to apply for a ParentConnection account, as well as instructions for working in ParentConnection.

We truly appreciate your support and feedback as we pilot this new tool we believe will have a positive impact on our student achievement and our school community partnership.

Please contact your local school with any questions or suggestions.
