

## The Rest of the Work

- 2014 to completion (currently on track for 2017)
  - Reach AA
  - Balance of Reaches A & B
  - Marcus Hook Anchorage
  - Rock Removal
  - Upper Reach E (Kelly Island)
- Channel maintenance (after initial construction)
  - Expected annual volume: 4.3 million cubic yards
  - Increase of about 20% over 40-foot channel maintenance (3.5 million cubic yards)
