## COVER

The Army relies on total asset visibility (TAV) to provide timely and accurate information on the location, movement, status, and identity of units, personnel, equipment, and supplies in the logistics pipeline. Several articles in this issue address TAV topics, including the Army's efforts to improve the integrity of TAV data (page 5) and TAV's role in ensuring uninterrupted support to warfighters (page 8).

This medium is approved for the official dissemination of material designed to keep individuals within the Army knowledgeable of current and emerging developments within their areas of expertise for the purpose of enhancing their professional development.

By Order of the Secretary of the Army:

**ERIC K. SHINSEKI**  
General, United States Army  
Chief of Staff

Official:

  
**JOEL B. HUDSON**  
Administrative Assistant to the  
Secretary of the Army
