COVER

U.S. support of the United Nations intervention in East Timor showcased what may become an important aspect of logistics in the future—the use of contractors in the theater. This issue features a special section describing the U.S. experience in East Timor, beginning on page 30. In the photo on the cover, military and contractor personnel review the construction of helipads at the airport in Dili, East Timor's capital.

This medium is approved for the official dissemination of material designed to keep individuals within the Army knowledgeable of current and emerging developments within their areas of expertise for the purpose of enhancing their professional development.

By Order of the Secretary of the Army:

ERIC K. SHINSEKI
General, United States Army
Chief of Staff
