COVER

Among the many stories of Operation Joint Endeavor was the deployment of the 181st Transportation Battalion—"the Road Warriors"—by motor convoy from Mannheim, Germany, to the intermediate staging base at Kaposvar, Hungary. Once there, the battalion began supporting the move of Task Force Eagle into Bosnia. The saga of the Road Warriors begins on page 23. In the cover photo, an M1075 palletized loading system truck is ready to roll at Kaposvar.

This medium is approved for the official dissemination of material designed to keep individuals within the Army knowledgeable of current and emerging developments within their areas of expertise for the purpose of enhancing their professional development.
