## COVER

The individual soldier is the Army's "most crucial and indispensable system." To support this invaluable resource, the Army needs a first-class medical logistics system. Articles beginning on page 8 discuss some recent developments in medical logistics. On the cover, logisticians check medical materiel at a field location.

This medium is approved for the official dissemination of material designed to keep individuals within the Army knowledgeable of current and emerging developments within their areas of expertise for the purpose of enhancing their professional development.

By Order of the Secretary of the Army:

**ERIC K. SHINSEKI**  
General, United States Army  
Chief of Staff

Official:

**JOEL B. HUDSON**  
Administrative Assistant to the  
Secretary of the Army
