Army Logistician (ISSN 0004-2528) is a bimonthly professional bulletin published by the Army Logistics Management College, 2401 Quarters Road, Fort Lee, Virginia 23801-1705. Periodicals postage paid at Petersburg, VA 23804-9998 and additional mailing offices.

Mission: *Army Logistician* is the Department of the Army's official professional bulletin on logistics. Its mission is to publish timely, authoritative information on Army and Defense logistics plans, programs, policies, operations, procedures, and doctrine for the benefit of all logistics personnel. Its purpose is to provide a forum for the exchange of information and expression of original, creative, innovative thought on logistics functions.

Disclaimer: Articles express opinions of authors, not the Department of Defense or any of its agencies, and do not change or supersede official Army publications. The masculine pronoun may refer to either gender.

Submissions: Articles and information on all facets of logistics operations and functions are solicited. Direct communication is authorized and should be addressed to: EDITOR ARMY LOGISTICIAN/ALMC/2401 QUARTERS RD/FT LEE VA 23801-1705. Phone numbers are: (804) 765-4761 or DSN 539-4761; Fax (804) 765-4463 or DSN 539-4463; e-mail alog@lee-dns1.army.mil. Articles may be reprinted with credit to *Army Logistician* and the author(s), except when copyright is indicated.

Distribution: Units may obtain copies through the initial distribution system (DA 12-series). Private subscriptions are available through the Superintendent of Documents, U.S. Government Printing Office (order form is on inside back cover). *Army Logistician* has a home page on the Internet's World Wide Web at <http://www.almc.army.mil/orgnznatn/alog/alog.htm>.

COVER

Information Age technology is being incorporated in all combat service support operations. These photos, provided by the Army Office of the Chief of Public Affairs, show the digitally equipped soldier (center), the palletized loading system (above), and the Hercules recovery vehicle (below). This issue of *Army Logistician* contains a number of articles that describe the Army's progress toward Army XXI, including the announcement of a new design for the heavy division (see next page).

This medium is approved for the official dissemination of material designed to keep individuals within the Army knowledgeable of current and emerging developments within their areas of expertise for the purpose of enhancing their professional development.

By Order of the Secretary of the Army:

DENNIS J. REIMER
General, United States Army
Chief of Staff
