CONFERENCE: APRIL 24-25, 2013

Registration is scheduled to open mid-February 2013

**PLACE: Town & Country Resort and Convention Center,
San Diego, Calif.**

***Continuing Education
Credits will be available
for this conference.***

*The Warrior Resilience
Conference primary
audience is line leaders
and care providers
including both clinicians
and chaplains.*

The Defense Centers of Excellence for Psychological Health and Traumatic Brain Injury will sponsor a program focused on prevention and treatment of combat and operational stress injuries to optimize performance and enhance physical and psychological resilience.

Sessions will focus on resilience, performance enhancement, mind-body-spirit, wounded warrior care, use of technology, and will provide combat and operational stress control training and education with three tracks being developed by the Naval Center for Combat & Operational Stress Control, Navy Operational Stress Control and Headquarters Marine Corps.
