

- Language and Cognition Lab  
Department of Cognitive Science  
University of California, San Diego
- Ben Bergen  
(Associate Professor, Cognitive Science)
- Current Team Members:  
Rachel Ostrand (Graduate Student)  
Dario Gutierrez (Graduate Student)  
Manami Sato (Postdoctoral Student)

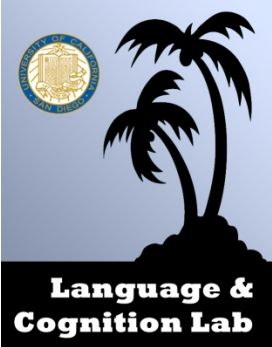

- Research areas of interest
  - Cognitive processes underlying production and comprehension of metaphorical language
  - Cognitive effects of cross-cultural differences in metaphor

- Unique qualifications and capabilities
  - Behavioral research methods, including reaction time, eye-tracking, and mouse-tracking.
  - Simulated driving (our lab houses a PatrolSimIV driving simulator)
  - Statistical analysis of linguistic corpus data

- Interested in collaborating on research relating to our core research interests
  - Cognitive processes underlying production and comprehension of metaphorical language
  - Cognitive effects of cross-cultural differences in metaphor
