WHO MUST SUBMIT FERC FORM NO. 2

Each natural gas company, as defined by the Natural Gas Act (15 U.S.C. 717, *et seq.*) which is a major company (a natural gas company whose combined gas transported or stored for a fee exceed 50 million Dth in each of the three

previous calendar years) must prepare and file with the Commission (18 C.F.R. § 260.1(b) (2011)). Newly established companies must use projected data to determine whether FERC Form No. 2 must be filed. (18 C.F.R. § 260.1(b)(3))

WHEN AND HOW TO SUBMIT FERC FORM NO. 2 AND FERC FORM NO. 3-Q

Companies filing FERC Form No. 2 must file electronically by April 18, 2012. The FERC Form No. 3-Q filing deadlines are listed above. The electronic submission must be created by using the FERC Form No. 2 submission software provided free of charge by the Commission at its web site: <http://www.ferc.gov/docs-filing/forms/form-2/elec-subm-soft.asp>. The software is used to submit the electronic filing to the Commission via the Internet. Paper copies are not accepted.

HELP WITH FERC FORM NO. 2 SUBMISSION SOFTWARE AND ELECTRONIC FILING

All questions about how to install or use the software should be referred to FERC Online Support toll free at 1-866-208-3676, locally at 202-502-6652 (or 202-502-8659 for TTY), or email ferconlinesupport@ferc.gov. Companies filing for the first time must first register by sending an email to ferconlinesupport@ferc.gov containing the following information: company name, company address, point-of-contact name, email address and phone number.

After receiving this information, FERC Online Support will provide the requestor with instructions on how to set up the software application and an access number to permit electronic filing via the form submission software. The point-of-contact list will be used to disseminate any future information on the software. Once a company has been assigned an access number, it does not need to obtain a new one for subsequent annual or quarterly filings unless there is a change in the entity such as a merger.

RESUBMISSIONS OF FERC FORM NO. 2 OR FERC FORM NO. 3-Q FILINGS

Resubmit any revised FERC Form Nos. 2 or 3-Q data via the Internet using the forms submission software only. Revised schedules should be noted in the remarks section of the List of Schedules. Explain the reason for the resubmission in a footnote to any revised data fields.

CPA CERTIFICATION STATEMENT FILING GUIDANCE

The Commission’s regulations require a Report of Certification, generally referred to as the CPA Certification Statement, to be filed by May 18 of the following calendar year. However, natural gas companies previously classified as Class C or D prior to January 1, 1984, do not have to file a CPA Certification Statement (18 C.F.R. § 158.11 (2011)).

The CPA Certification Statement must be filed with the Secretary of the Commission at the address below:

Secretary
Federal Energy Regulatory Commission
888 First Street, NE
Washington, DC 20426

As an alternative to filing a hard copy, companies are encouraged to file their CPA Certification Statement using eFiling. Instructions on how to use the eFiling system are on the Commission’s website at: <http://www.ferc.gov/docs-filing/efiling/user-guide.pdf>. When asked for a docket number, enter ZZ12 and then select the first option “CPA Certification.” For further assistance using the eFiling system please contact the eFiling Help Desk at 202-502-8258 or send your question to efiling@ferc.gov.
