

## Appendix 2 : PLANT AND ANIMAL SPECIES MENTIONED IN TEXT, EXCLUDING SPECIES OF CONSERVATION CONCERN

This appendix consists of 1 table (Table A2.1) that lists the common and scientific names of all plant and animal species mentioned in the text of our assessment, excluding the species of conservation concern. Common and scientific names of all species of conservation concern associated with the sagebrush ecosystem in the Great Basin Ecoregion are listed in [Appendix 3](#). Common and scientific names of the 40 species of conservation concern that were the subject of our regional assessment are listed in [Table 5.1](#) of [Chapter 5](#).

Table A2.1. Names of species mentioned in the text, tables, and figures that are not included among the 40 species of conservation concern in the Great Basin Ecoregion and Nevada.

Common name	Scientific name
<b><i>Plants</i></b>	
Basin big sagebrush	<i>Artemisia tridentata tridentata</i>
Black greasewood	<i>Sarcobatus vermiculatus</i>
Black sagebrush	<i>Artemisia nova</i>
Cheatgrass	<i>Bromus tectorum</i>
Creosote bush	<i>Larrea tridentata</i>
Fourwing saltbush	<i>Atriplex canescens</i>
Juniper	<i>Juniperus</i> spp.
Low sagebrush	<i>Artemisia arbuscula</i>
Mountain big sagebrush	<i>Artemisia tridentata vaseyana</i>
Pinyon pine	<i>Pinus</i> spp.
Rabbitbrush	<i>Chrysothamnus</i> spp.
Shadscale	<i>Atriplex confertifolia</i>
Silver sagebrush	<i>Artemisia cana</i>
Singleleaf pinyon pine	<i>Pinus monophylla</i>
Spiny hopsage	<i>Grayia spinosa</i>
Threetip sagebrush	<i>Artemisia tripartita</i>
Utah juniper	<i>Juniperus osteosperma</i>
Western juniper	<i>Juniperus occidentalis</i>
Winterfat	<i>Krascheninnikovia lanata</i>
Wyoming big sagebrush	<i>Artemisia tridentata wyomingensis</i>
<b><i>Birds</i></b>	
Gunnison sage-grouse	<i>Centrocercus minimus</i>
Brown-headed cowbird	<i>Molothrus ater</i>
MacGillivray's warbler	<i>Oporornis tolmiei</i>

Table A2.1. Names of species mentioned in the text, tables, and figures that are not included among the 40 species of conservation concern in the Great Basin Ecoregion and Nevada.

---

Common name	Scientific name
Pinyon jay	<i>Gymnorhinus cyanocephalus</i>
Rock wren	<i>Salpinctes obsoletus</i>
<b>Mammals</b>	
Cliff chipmunk	<i>Tamias dorsalis</i>
Pinyon mouse	<i>Peromyscus truei</i>
Rock squirrel	<i>Spermophilus variegatus</i>
