A. Overview

This report is based on an audit of the West Virginia Republican State Executive Committee ("the Committee"), undertaken by the Audit Division of the Federal Election Commission in accordance with the Commission's audit policy to determine whether there has been compliance with the provisions of the Federal Election Campaign Act of 1971, as amended ("the Act"). The audit was conducted pursuant to Section 438(b) of Title 2 of the United States Code which states, in part, that the Commission, may conduct audits and field investigations of any political committee required to file a report under Section 434 of this title. Prior to conducting any audit under this section, the Commission shall perform an internal review of reports filed by selected committees to determine if the reports filed by a particular committee meet the threshold requirements for substantial compliance with the Act.

The Committee registered with the Federal Election Commission on October 25, 1977. The Committee maintains its headquarters in Charleston, West Virginia.

The audit covered the period January 1, 1981 through December 31, 1982. The Committee reported a cash balance at January 1, 1981 of \$1,683.85; total receipts for the period of \$190,244.38; total disbursements for the period of \$188,755.21; and a cash balance on December 31, 1982 of \$3,173.02.
