

TELECONFERENCE: Interested members of the public unable to travel to the meeting may participate remotely by telephone via a toll-free teleconference. For details, please call one of the NRC meeting contacts listed below or use the toll-free number, 1-800-368-5642, and ask the operator for a connection to one of the meeting contacts. Those interested in participating in this meeting by teleconferencing should call or e-mail one of the contacts as soon as possible, but no later than June 10, 2011.

NOTE: Additional meeting materials, such as the specific room location of the meeting, background information, agenda and presentation materials, will also be posted at:
<http://www.nrc.gov/about-nrc/regulatory/enforcement/safety-culture.html> .

Meeting participants are encouraged to check this page periodically before the meeting to access all the meeting materials.

PARTICIPANTS: Participants from the NRC will include staff from the Office of Enforcement (OE) and other NRC program offices. NRC anticipates that various external stakeholders, who participated in previous NRC meetings held to develop the SCPS, will attend. These include licensees from reactors, materials-industrial, materials-medical, material-fuel cycle, new reactor construction, vendors and suppliers industries, as well as a representative from the Agreement States and interested members of the public.
