

Draft Role of Panelists

- Panelists are expected to attend all panel and breakout sessions.
- Panelists will be expected to provide their perspective as a licensee, a member of the public, a member of a specific organization, etc.
- Panelists will be fully engaged.
 - Panelists are expected to work with NRC staff to develop a common definition of safety culture and a common set of description/traits and concepts of safety culture that apply to all NRC licensees and certificate holders.
 - For breakout session:
 - Panelists are encouraged to contribute to and participate in the discussions in the breakout sessions; and,
 - panelists are expected to consider positions and views of the breakout participants and are encouraged to articulate these views in the panel discussions.
