

AMENDMENT NUMBER 0001  
TO ONR 08-005 ENTITLED  
“COMPACT POWER CONVERSION TECHNOLOGIES FUTURE NAVAL  
CAPABILITIES (FNC) ENABLING CAPABILITY PROJECT”

The purpose of Amendment 0001 is to amend BAA 08-005 as follows:

- On page 13 of the BAA, the following paragraph is revised:  
Number of Pages - No more than 10 single-sided pages for a white paper addressing a single product area, 15 single-sided pages for a white paper addressing two product areas, and 20 single-sided pages for a white paper addressing all three product areas (excluding cover page, table of contents, resumes, and the cost summary). For Offerors wishing to submit more than one technology solution for evaluation within a product area, each additional solution shall add no more than 2 pages to the document.
  
- The following paragraph is added to Section III, Eligibly Information:  
An Offeror may submit only one proposal under this solicitation. For large businesses, an Offeror will be defined at the level of operating segment or division, regardless of location.
  
- Paragraph 2 of Section VII is revised to extend the period for questions as follows:  
Questions concerning the BAA must be received before 11 March 2008, 2:00 p.m. Eastern time in order to receive a response.
