

**Amendment 0003**  
**BAA 12-014 titled “Department of the Navy Rapid Innovation Fund”**

The purpose of Amendment 0003 to BAA 12-014 is to **remove Item Number 5, Electronic Protection Techniques, from the BAA’s Attachment 3: Naval SYSCOM Special Interest Areas.** On the BAA 12-014 White Paper submission website, the option to select Electronic Protection Techniques has been removed from the drop-down menu.

This change is due to the restructuring of the Joint Tactical Radio System (JTRS) program office. All JTRS proposals should be submitted to the Department of the Army utilizing the Army’s BAA procedures.

There are no other changes to BAA 12-014.
