

# Pipeline Data Public Meeting

## Welcome & Agenda Review

Jeff Wiese, DOT/PHMSA/OPS

January 7-8, 2013

# Welcome Everyone!!

## Safety & Comfort

- Emergency Exits
- Rest Rooms
- Lunch Options – list available at registration table
- Cell Phones
  - Turn off, or
  - Set to vibrate only

# Goals

- How do Stakeholders, including OPS, industry, and the public use the data?
- Performance Measures – how industry and PHMSA currently measure performance – how could these be improved and what additional data is needed
- Discuss best method(s) for collecting, analyzing, and ensuring transparency of additional data needed to improve performance measures.
- Summarize the data OPS collects, who we collect it from, and why we collect it – presentation is on the [registration webpage](#)
- Data quality improvement - past efforts and future opportunities – universally understood definitions

# Agenda Review
