**Fiscal Year 2007 SuperNOFA for HUD's
Discretionary Programs; Notice**

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5100-N-01A]

Fiscal Year 2007 SuperNOFA for HUD's Discretionary Programs

AGENCY: Office of the Secretary, HUD.
ACTION: Notice of HUD's Fiscal Year (FY) 2007 Notice of Funding Availability (NOFA) for HUD's Discretionary Programs (SuperNOFA).

SUMMARY: On January 18, 2007, HUD published its Notice of FY2007 Notice of Funding Availability Policy Requirements and General Section to the SuperNOFA (General Section). HUD published the General Section of the FY2007 SuperNOFA in advance of the individual NOFAs to give prospective applicants sufficient time to begin preparing their applications, and to register early with Grants.gov in order to facilitate their application submission process. Today's publication contains the 38 funding opportunities or program NOFAs that constitute HUD's FY2007 SuperNOFA. In addition, today's publication provides a revised listing of programs contained in the FY2007 SuperNOFA and corrects two items contained in the General Section published on January 18, 2007.

DATES: Application deadline and other key dates that apply to all HUD federal financial assistance made available through HUD's FY2007 SuperNOFA are contained in each individual program NOFA and in Appendix A of this notice.

FOR FURTHER INFORMATION CONTACT: The individual program NOFA identifies the applicable agency contact(s) for each program. Questions regarding today's Introduction to the SuperNOFA should be directed to the NOFA Information Center between the hours 10 a.m. and 6:30 p.m. eastern time at (800) HUD-8929. Hearing-impaired persons may access this telephone via TTY by calling the toll-free Federal Information Relay Service at (800) 877-8339. Questions regarding specific program requirements should be directed to the agency contact(s) identified in each program NOFA.

SUPPLEMENTARY INFORMATION: HUD published the General Section of the FY2007 SuperNOFA on January 18, 2007 (72 FR 2396). HUD published the General Section in advance of the individual program NOFAs to give prospective applicants sufficient time to begin preparing their applications, and to register early with Grants.gov in order to facilitate their application submission process. Today's publication contains the 38 individual funding opportunities,

or program NOFAs, that constitute HUD's FY2007 SuperNOFA. Through the FY2007 SuperNOFA, HUD is making available approximately \$2 billion in federal financial assistance. In addition, today's publication provides a revised listing of programs contained in the FY2007 SuperNOFA and corrects one item contained in the General Section published on January 18, 2007.

Each program NOFA provides the statutory and regulatory requirements, threshold requirements, and rating factors applicable to funding made available through the individual NOFA. Applicants must also review, however, the January 18, 2007, General Section for important application information and requirements, including submission requirements that provide explicit instructions on file formats acceptable to HUD.

Appendix A to the January 18, 2007, General Section identified the funding opportunities anticipated to be included in the FY2007 SuperNOFA. HUD is revising and republishing Appendix A (Revised Appendix A) as part of today's FY2007 SuperNOFA publication. Revised Appendix A provides an up-to-date funding chart that lists the funding opportunities included in today's FY2007 SuperNOFA publication, along with the application deadline.

In reviewing Revised Appendix A, applicants should note that the Youthbuild NOFA, Brownfields Economic Development Initiative (BEDI) NOFA, and the Public Housing Neighborhood Networks (PH-NN) NOFA are not part of today's FY2007 SuperNOFA publication. The Youthbuild program was transferred to the U.S. Department of Labor on September 22, 2006, in accordance with Public Law 109-281, and will not be included in the FY2007 SuperNOFA. Persons interested in funding opportunities under the Youthbuild program should contact the U.S. Department of Labor. The BEDI and PH-NN were not funded in FY2007. HUD is also providing NOFAs for three programs that were not contained in its FY2006 SuperNOFA, specifically the Housing Counseling Training Program, Early Doctoral Student Research Grant Program, and the Doctoral Dissertation Research Program NOFAs.

HUD is also using today's publication to correct two items contained in the General Section published on January 18, 2007. Initially, HUD noted in section V.A.1. (third column beginning on page 2408 and continuing to page 2409), that: "For each program NOFA, the points awarded for the rating factors total 100. Depending on the program for which you are seeking funding, the funding

opportunity may provide up to four bonus points, as provided below:"

In fact, since the FY2007 SuperNOFA offers bonus points only for applicants that certify that their activities or projects are located in, intended to serve the residents of, or are consistent with the strategic plan for an empowerment zone (EZ), utilization plan for an urban or rural renewal community designated by HUD (RC), or strategic plan for an enterprise community designated in round II by the U.S. Department of Agriculture (EZ-II), collectively referred to as "RC/EZ/EC-IIs," only two bonus points are available. As a result, section V.A.1. (third column beginning on page 2408 and continuing to page 2409), should read: "For each program NOFA, the points awarded for the rating factors total 100. Depending on the program for which you are seeking funding, the funding opportunity may provide up to two bonus points, as provided below:"

HUD is also correcting instructions regarding the completion of the Logic Model form (HUD-96010). In the third sentence of section VI.C.5.b. (middle column, page 2414), HUD stated that applicants should include all activities and outcomes expected per year of the period of performance. To be consistent with and correctly complete the Logic Model forms, applicants are advised that they must include all activities and outcomes expected per year of the period of performance. As a result, the third sentence of section VI.C.5.b. is corrected to read, "[T]o provide for greater consistency in reporting, applicants must include all activities and outcomes expected per year of the period of performance as defined in the program logic model for the program NOFA that they apply for."

HUD published the General Section of the FY2007 SuperNOFA early to provide its applicant community with the opportunity to become familiar with cross-cutting requirements, and to remind prospective applicants to register or renew their registration in order to successfully submit an application via Grants.gov.

Applicants are required to complete a five-step registration process in order to submit their applications electronically and previously registered applicants must annually update their information in the Central Contractor Registration (CCR) for the registration to remain viable. HUD has developed the following brochures and guidance, found at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>, to assist applicants with the registration, CCR update, and application processes:

- STEP BY STEP: Your Guide to Registering for Grant Opportunities.

- Finding and Applying for Grant Opportunities.
- Desktop User Guide for Submitting Grant Applications.

For FY2007, the Continuum of Care remains a paper application process. HUD continues to encourage Continuum of Care agencies to become familiar with Grants.gov requirements to facilitate the future transition to Grants.gov. If you have questions concerning the registration process or renewal, or have a question about a NOFA requirement, contact HUD staff listed in the program NOFAs. HUD staff cannot help you write your application, but can clarify requirements contained in this Notice and HUD's registration materials.

Finally, applicants are invited and encouraged to participate in HUD's satellite training and webcast sessions

designed to provide a detailed explanation of the general section and program section requirements for each of the SuperNOFA programs. The interactive broadcasts provide an opportunity to ask questions of HUD staff. These broadcasts are archived and accessible from HUD's Grants page at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>. HUD also encourages applicants to subscribe to the Grants.gov free notification service. By doing so, applicants will receive e-mail notification as soon as items are posted to Grants.gov and will have access to a significant amount of useful information, including responses to frequently asked questions that arise during the funding application period. The address to subscribe to the Grants.gov free notification service is

<http://www.grants.gov/search/email.do>. Modifications to the General Section, any of the program NOFAs, or the application are posted to www.Grants.gov as soon as they are available (except for the Continuum of Care NOFA). Modifications to the Continuum of Care NOFA, or the Continuum of Care application are posted to HUD's grants page at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>.

As stated in the General Section, HUD hopes that the steps that it has taken to provide information early in the FY2007 funding process will be of benefit to you, our applicants.

Dated: February 26, 2007.

Roy A. Bernardi,
Deputy Secretary.
