

KBES is proud to be identified as an accredited school.

The AdvancED Accreditation system assesses all parts of the school and its community and then determines the effectiveness of those elements working together to meet the needs of the student population. The process of AdvancED's accreditation is a standards-based framework that guides schools in continuous improvement. AdvancED Accreditation is used throughout the world.

The five standards on which our continuous school improvement is based and evaluated include:

- Purpose and direction
- Governance and leadership
- Teaching and assessing for learning
- Resources and support systems
- Using results for continuous improvement

Detailed descriptions of each standard are listed as follows:

Standard 1 Purpose and Direction

The school maintains and communicates a purpose and direction that commit to high expectations for learning as well as shared values and beliefs about teaching and learning.

Standard 2: Governance and Leadership

The school operates under governance and leadership that promote and support student performance and school effectiveness.

Standard 3: Teaching and Assessing for Learning

The school's curriculum, instructional design, and assessment practices guide and ensure teacher effectiveness and student learning.

Standard 4 : Resources and Support Systems

The school has resources and provides services that support its purpose and direction to ensure success for all students.

Standard 5 Standard 5: Using Results for Continuous Improvement

The school implements a comprehensive assessment system that generates a range of data about student learning and school effectiveness and uses the results to guide continuous improvement.

Our School and Continuous School Improvement *CSI*

### **DoDEA Mission Statement:**

The mission of DoDEA and KBES is to provide an exemplary education that inspires and prepares all students for success in a dynamic and global environment.

### **Kleine Brogel Vision Statement:**

Kleine Brogel Elementary School strives to nurture the development of students as life-long learners.

Our vision is that students will enjoy learning, think creatively, and act responsibly.

### **Goal 1: Math Word Problems**

All students will increase performance on targeted developmentally appropriate mathematical word problems using instructional interventions as measured by system wide and/or school based assessments.

The targeted skills are: understanding the problem, applying knowledge, choosing appropriate strategies, and using skills to solve problems.

### **Goal 2: Vocabulary**

All students will increase performance on targeted developmentally appropriate vocabulary skills using instructional interventions implemented in all curricular areas as measured by the TerraNova3 as well as other system-wide and school-based assessments.

The targeted skills are: to develop a comprehensive vocabulary used to analyze and understand key concepts in curriculum areas.

**Knowledge is the Best road to Excellence and Success**
