

Retiree Advisory Board Regions

The Retiree Advisory Board consists of sixteen members. Eight members are regional liaisons from across the state and seven members serve as liaisons to specific functions or operational units. One additional member is the Deputy Adjutant General for the North Dakota National Guard. That person serves as the Board Chairperson. The regional boundaries are soft and allow for retirees to belong to any region based on convenience. The Board meets four times yearly to conduct its business.

Why An Advisory Board?

- ★ Opens up communications between groups.
- ★ Many retiree groups away from flagpole lose connection.
- ★ The National Guard needs advocates throughout the State.
- ★ Provides opportunities for both organizations to mutually support each other.
- ★ Guard resources may support organization of regional retiree groups.

Board Mission

Organize and implement a Board to advise, assist, and provide counsel to the leadership of the North Dakota National Guard and to provide a means for which the National Guard can effectively communicate with retirees for the purpose of providing information and soliciting volunteer help with various projects.
