VOLUME 2, FEBRUARY 22, 2006

THE UNOFFICIAL PUBLICATION OF THE NORTH DAKOTA NATIONAL GUARD AND RETIREES ADVISORY BOARD FOR MILITARY RETIREES.

From the DAG

Dear National Guard Retiree,

Time certainly flies by when you're having fun, such as implementing the Retiree Initiative. It has been two years since the North Dakota National Guard has officially started sponsoring & supporting this initiative. As chair of the Retiree Board & goal sponsor of the Retiree Initiative, I have witnessed an enormous amount of participation, momentum, hard work & Progress by the board as they support the intent of this initiative.

Many times, usually for selfish reasons, we like what we have & we don't want to change it. But then, subtly & slowly over time, creeps in this thing called Progress. Progress is something you cannot stop. Progress is something forever moving forward. Progress evolves into change. Whether it is right or it is wrong, change is something that can be dealt with. Your Retiree Board has done just that.

Change is the heart of the intent of the Retiree Initiative. Improved communication, education, dialogue & information sharing between retirees' & the North Dakota National Guard are some of the desired outcomes of the Retiree Initiative because of the ongoing chronic change.

Your Retirees Board has worked tirelessly at confronting the challenges of change through the Retirees Initiative. My "thanks" to the Board members for their effort in this regard & their positive "can do" approach to the many issues they are asked to discuss. As we pass into year three, I can assure all of you that the Retiree Initiative is firmly imbedded within the North Dakota National Guard as a "must do" & "must support" & is becoming a core value of the future.

All The Best!
Jerald "Jerry" Engelman
Brig Gen, NDANG
Deputy Adjutant General

Message from the Board

Greetings All,

We will take a little space here to bring your attention to the fact that Brigadier General Engelman will be retiring this spring. Over the past almost two years General Engelman has taken the lead in putting the Retiree's Advisory Board together and has supported its meetings as the President. In addition he has provided the necessary resources for the Board to conduct its business. The board is functioning well and making progress in supporting the informational needs of us Retirees. As your Board, on behalf of all National Guard Retirees, we thank General Engelman for all he has done to bring us back into the family circle of the North Dakota National Guard. We wish him well as he retires and welcome him to our ranks.

At the last meeting in January, Major General Sprynczynatyk spoke to the Board and said he believed that the Retirees are very important to the organization. He wants to continue the Board and continue to grow the relationship. He intends to have the new DAG take General Engelman's place on the Board. At this point that appears to be COL Al Dohrmann, who is serving as the Chief of Staff and Ground Component Commander.

REGION 1

Greetings form Region 1 in the sunny NW corner of the state. We continue to have our breakfast get together at 7am on the second Tuesday of the month. Dakota Farms Café has a great special. If you are passing through, stop in and have a cup of coffee or breakfast and visit a while. If you live in the area, the same applies to you. We miss seeing your face from time to time and everybody has to eat somewhere so join us. If you only have time for coffee, that's ok. At least we will know you are still around. The Combined enlisted/ officer conference is the last weekend in Feb. so attend if you can. At our March meeting, we will have a report on the happenings at the conference. If you want to contact me my e-mail is khiltner@nemont.net or phone is 701-572-9170.

REGION 2

A quick note to the people in District 2 that don't make it to the monthly get together at Marco's in Town and Country Mall. If you have a number of retirees in your area/town in Region 2 I am more

than happy to come to your area/town and have a meeting or start a satellite group. If you know somebody who is not getting the Dog Tag send me a note or contact me at jjauto@ndak.net and I will make sure they are in the database. I still have a few addresses that are no good for some of the retired personnel in the Minot area and in the surrounding towns in District 2.

Have a Happy New Year and hope to see you at the annual get together in September.
Joe Heiser

REGION 3 - No report this issue

REGION 4

In Region 4 we have been busy putting together a database of Retirees who are willing to get involved in support families with deployed members. If you are willing to sign up for this worthy cause please send me an email at holwerda@gra.midco.net. Please indicate what service or skill you are willing to share.

Time and care to the growth of our Nation is as love and devotion to the growth of our neighbors.

REGION 5

There are a number of opportunities for retirees in Hooligan land to get together and share memories and update one another. There are breakfasts, Auger Inn activities, semi-annual WSO reunions, and other happenings that pop up. And, there's certainly enough channels of communication available to alert everyone of these occurrences. Colonel Bob Becklund, 119th Wing Commander, and his staff, have been extremely cordial to include the retiree community with the Wing activities.

All NDANG retirees, traditional guardsmen and full time employees are welcome at the breakfasts and other NDANG related events. Please extend an invitation to a fellow Hooligan and encourage attending these events.

The Fargo-Moorhead area has a monthly breakfast at 7:00 a.m. at the Valley Kitchen on the first Wednesday of each month. (except November). Recently, these breakfasts have been highlighted with active members of the Wing as guest speakers who have kept the troops abreast

of the many changes that have taken place at the Wing. Also, guests have included members of the unit who have served recent tours in the Middle East.

The Detroit Lakes area hosts a bimonthly breakfast at the Detroit Lakes Holiday Inn at 8:00 a.m. on the third Saturday of even numbered months. At the December breakfast, Mike Haugen, recently retired ND Adjutant General (Maj Gen), was the guest with a full house in attendance.

There's also a monthly breakfast in Mesa, Arizona. It's at Sossaman's On the Green Restaurant at 9:00 a.m., the first Thursday of each month.

On Tuesday, January 16th, a commendable number of retired Hooligans and devoted comrades attended the 60th Anniversary of the NDANG held in the hanger of the 119th Wing. In opening the ceremonies, the many dignitaries present conveyed their appreciation and admiration to the NDANG, enumerating the many notable achievements. A flight of four F-16s made a final pass over the field following these ceremonies. Excitement and Hooligan pride was bubbling over.

On display on the hanger floor was a bright, shiny, white, C-21 aircraft, presently assigned to the 119th Wing, and a Predator UAV. Now, this may take some time to get used to.

Following the events in the hanger, lunch was served at the 119th Wing dining facility with refreshments and fellowship at the Auger Inn. Local talk show hosts also gave air time to "Hooligan History" on this day, and the Fargo Air Museum continues to exhibit a display of some of the history of the NDANG. It was a special day, January 16th, 2007. We have a fabulous history!

The Blue Angels will appear at the Fargo air show on Saturday, June 16th and Sunday, June 17th. The management of the Auger Inn has voiced an interest in hosting another Hooligan reunion on Saturday. Jot these dates on your calendar. Information of this event will be disseminated as plans develop.

An info email is sent out monthly to retirees. The email includes upcoming social activities and 119th Wing events that may be of interest to retirees or past members of the NDANG. Send

REGION 6

The 141 retirees continue to have their monthly get-together on the last Tuesday of the month in the Broken Spoke Cafe at the intersection of Main Street and Central Avenue. The time is still 8:30 a.m. The last couple of months the ladies (spouses, significant others) have joined us. (Not exactly joined us, they have a table of their own so they can enjoy themselves and not us). When we have a special speaker, however, they are more than welcome to participate. One of our topics the last couple of months has been the loss of the 141 Engr Bn in Valley City and surrounding communities. One thought was the reawakening of the old 141 club. The other thought was to possibly put up something in Veterans Park across from the VFW in Valley City similar to the very nice monument the old 164 Infantry has there. The 141st had over a 50 year history in this part of the state and the thought was that it is certainly worth while remembering that.

REGION 7

We meet on the 2nd Tuesday of every month at BSC Student Union for Breakfast. Attendance has been between 20 - 25 Retiree's.

We have received three briefings this past quarter. Col Jon Hanson briefed us on the status of the Guard. Kristi Fetsch briefed us on Family Support and Phil Miller briefed us on all the new construction completed this past year on the North Dakota Veteran's Cemetery. The briefings were well received. Many questions were asked and answered.

REGION 8

Greetings from Region 8. Region 8 covers the Southwest corner of North Dakota. The least populated area of the State. [better known as God's country]. When the Retiree Advisory system was being organized we had just over 50 Guard retirees with zip code addresses in our area. We asked [by several mailings, using those addresses] that those interested in being involved as retirees, to supply us with their e-mail address. We advised them that this would be the method of communication in the future. Currently we have 25 retirees on our e-mail contact list. We use this list to remind members of upcoming meetings and to pass information periodically. We encourage all to get on Baglien's e-mail list to receive more frequent Guard information. We do have a couple retirees that do not have e-mail.

We meet on the last Tuesday of every other [even] month. We meet at 0800 hrs. at the Days Inn in Dickinson. Breakfast service is available. We typically have 8 to 12 retirees attend these meetings. This is not a structured meeting. Members usually bring each other up to date on their activities. I [or Jim Bosch vice-rep.] bring the information we have received at our most recent attendance of the Advisory Board meeting. Tri-Care, Medicare, Pharmacy benefits are often subjects of discussion. New retirees, who are wary of these benefits, are anxious to hear from those who have used these benefits for some time. Another subject is travel opportunities using available government quarters. Those that use them pass on their experiences. Of course there

REGION 8

Are the usual "war stories" of things that happened during our time or how things used to be.

We generally describe our meetings as an opportunity to keep in touch, exchange information, and watch each other age [hopefully gracefully]. Our basic purpose is to be a resource to support the active organization, with our experience, and support each other as the need may arise.

ESGR

Employer Support of the Guard and Reserve (ESGR) is a Department of Defense volunteer organization. We provide free education, consultation, and if necessary, mediation for employers of Guard & Reserve employees. The nation's Reserve components (referring to the total of all National Guard members and Reserve forces from all branches of the military) comprise approximately 46 percent of our total available military manpower. The current National Defense Strategy indicates that the National Guard and Reserve will be full partners in the fully integrated Total Force. Our Reserve forces will spend more time away from the workplace defending the nation, supporting a demanding operations tempo and training to maintain their mission readiness. In this environment, civilian employers play a critical role in the defense of the nation by complying with existing employment laws protecting the rights of workers who serve in the Reserve component.

ESGR was established in 1972 to promote cooperation and understanding between Reserve component members and their civilian employers and to assist in the resolution of conflicts arising from an employee's military commitment. It is the lead DoD organization for this mission under DoD Directive 1250.1.

Today, ESGR operates through a network of hundreds of volunteers throughout the nation and Guam, Puerto Rico, the Virgin Islands and Europe. ESGR Mission - Gain and maintain active support from all public and private employers for the men and women of the National Guard and Reserve. The local ESGR committee has been active in

Family Support

YOU TOO CAN HELP! HERE'S HOW!

Hello, my name is Tim Zimmer and I serve as your Family Support Liaison on the Retiree's Advisory Board.

As retiree's we can become a big resource in assisting our fellow guardsman during these deployments. This is one way for us to help those who are sacrificing so much. Some of the things we might be asked to do include minor repairs around the home, shoveling snow, mowing the lawn, being a mentor role model to a son or daughter, i.e. taking them fishing, etc. or maybe just being a good listener.

How do I Sign-Up? Contact your Regional liaison and let him know you are interested in volunteering to help deployed family members or email me at tzimmer@bis.midco.net.

Veterans' Organizations

July 8 is Veteran's Day in Medora. All veterans and their families are invited to enjoy Historic Medora as we honor their service to our country. All veterans receive a free Medora Musical ticket and ticket for the Adolph Burkhardt Country Western Concert. Come early and enjoy the free ice cream social in the afternoon. Enjoy the shops and other shows. Remember, the free ticket for the musical is for the veteran only.....family members are not free, but it's still a good deal.

Retiree Benefits

NEED EXTRA CASH? \$

EARN UP TO \$2000 FOR EACH NEW RECRUIT WHO ENLISTS AND REPORTS TO BASIC TRAINING!

Effective immediately, the Guard Recruiting Assistant Program (G-RAP) is pleased to welcome eligible Retirees to apply and become Recruiting Assistants for the Army National Guard. What is an 'eligible' Retiree? Currently a Retiree with 20 years of military service with a retirement letter from the Army National Guard may submit an application to G-RAP. Retirement orders must be dated six months or more prior to G-RAP application. How does a Retiree apply? By visiting our website (www.guardrecruitingassistant.com), reading over the program information, and clicking on "Apply Now". By indicating a Retiree status, instructions are given to provide the required documents to be faxed and verified prior to acceptance. How does a Retired RA obtain recruiting items to hand out to potential Soldiers? Once hired and trained, RAs have access to the on-line promotional store, Guard Mission Zone, to choose which free items to have sent to them. What other incentives does a Retired Recruiting Assistant qualify for? Recruiting Assistants may also qualify for limited-time promotions in addition to the \$2,000 payment for an enlistment. (Do you know anyone who would enjoy a big screen TV or an iPod?!) You may qualify to receive such additional incentives for each enlistment through G-RAP. If I'm not involved in unit activities anymore how do I know what the ARNG can offer a recruit today? Once you are hired to work as a RA, you will be provided with information on what the Guard has to offer a new enlistee. You will also be provided with the name and number of a local recruiter who you may choose to work with if you do not already know of a local recruiter. Can I nominate my relative to join the ARNG? Absolutely! Your friends and family are a great place to start because you only want the best for them! Does it matter if my nominee is prior service? No, anyone you feel would be a good asset to our country in the Army National Guard is a good candidate. What if I need help? G-RAP's customer service personnel are available 0700 to 1900 hours, toll-free number (1-866-566-2472) and can also be reached via email (grap@docupak.com) at your convenience.

As a Retiree, your valuable military service has already made a difference for our country. As a Recruiting Assistant you can continue to make a difference. Your influence will help to strengthen the Army National Guard, your community, and your country and earn additional income.

Retired Pay Exempt From State Tax Legislation

Your retiree's Advisory Board supported this legislative initiative but the bill was defeated. As you know, a number of states are completely or partially exempt military retired pay from state taxation. This benefit can increase real income by 3 percent to 8 percent annually, depending on the state. The following states provide a full income-tax exemption: Alabama, Alaska, Florida, Hawaii, Illinois, Kansas, Louisiana, Massachusetts, Michigan, Nevada, New Hampshire, New Jersey, New York, Pennsylvania, South Dakota, Tennessee, Texas, Washington, Wisconsin and Wyoming. Kentucky, Maryland, Mississippi, Missouri, North Carolina and Oregon offer partial or conditional exemptions. Please note that some other states offer general pension exemptions once you reach a certain age (usually 62 or 65), but these aren't specific military retired-pay exemptions. We will take another run at this next session. In the mean time, please keep talking to your legislators on this issue.

Need Computer Access?

At a recent Enlisted Association meeting it was brought up that not all retirees have access to the internet. Hence, they have not viewed the CD's or looked at the web sites referenced in the last "DOG TAG". For those Retirees who do not have a computer and wish to view the CD's and the WEB sites mentioned in the DOG TAG they are encouraged to check their local library or the local armory. Retiree's are authorized access to general use computers at all National Guard Armories on a space available basis.

If you need to contact your Veterans Service Officer you can get the information at:
www.nd.gov/veterans/officers.

Retiree Benefits Continued

When The Time Comes

There have been questions about family support contact after the death of a Retiree or Retiree Spouse. In some cases Retirees have not been taking full advantage of their Veteran status and in some cases overpayment is being made to surviving spouses which can cause problems. Please use the following as a guide to eliminate problems.

Prearrangements:

1. If veteran or spouse is to be buried in the North Dakota Veterans Cemetery or other Veteran's Cemetery they should do the following:

- A. Fill out application and file it with the Veterans Cemetery
- B. Let family members know of veteran's wishes.
- C. Let the funeral home where you have made prearrangements know of your wishes and give them a copy of your application.

D. Veterans, spouses and dependents can be buried at the Veterans Cemetery. There is currently a fee of \$300 for spouses and dependents to be buried at the cemetery.

2. Make sure the Veteran has a copy of their discharge papers on file with the county. This document is needed to apply for benefits.

3. If you don't know where your discharge papers are, visit your County Veterans Service Officer and start the necessary paperwork to get a copy.

After A Death of a Veteran:

1. If Veteran is getting a pension or compensation let your Veterans Service Officer know so they can report the death to the Veterans Administration, so the family does not get an overpayment which they will have to pay back.
2. The funeral home or the County Veterans Service Officer will help the family fill out VA Form 21-530, Application for Burial Benefits.
3. The funeral home or the County Veterans Service Officer will help the family fill out VA Form 40-1330, Application for Standard Government Headstone or Marker.
4. If the veteran is eligible for burial expenses the funeral home will complete a burial expense sheet which is also part of the packet.
5. A copy of the death certificate and a copy of the discharge document is also needed as part of the packet that is forwarded to the Department of Veterans Affairs.
6. If the veteran has life insurance or other VA insurance, see your County Veterans Service Officer in order to complete the appropriate paperwork.
