

Quality Check

To check the quality of your ethical decision-making process, ask yourself these questions:

- Do I have all the important facts relevant to the decision?
- Have I involved everyone who should be part of this decision?
- Does this decision reflect organizational, professional, and social values?
- Do the likely benefits of the decision outweigh any potential harms?
- Will this decision keep the problem from recurring or establish a good precedent?
- How would this decision look to someone outside the organization?
