

UNITED STATES OF AMERICA
FEDERAL ENERGY REGULATORY COMMISSION

Enhanced Natural Gas Market Transparency

Docket No. RM13-1-000

NOTICE OF EXTENSION OF TIME

(January 18, 2013)

On January 15, 2013, the American Forest & Paper Association, Natural Gas Supply Association, Process Gas Consumers Group, Interstate Natural Gas Association of America, Electric Power Supply Association, Independent Petroleum Association of America, Edison Electric Institute, Texas Pipeline Association, and American Gas Association (the Associations) filed a joint motion for an extension of time (motion) to file comments, in the above-referenced proceeding. In their motion, the Associations stated that they require additional time to work diligently with their association members to provide a proper response to the issues raised in the Notice of Inquiry issued in this proceeding.¹

Upon consideration, notice is hereby given that the date for filing comments is extended to and including February 12, 2013.

Kimberly D. Bose,
Secretary.
