

German Kindergarten in Schweinfurt

- German Kindergarten is generally for children from 3 - 6 years of age.
- Spaces are very limited for infant and toddlers up to 3 years of age. There are often long waiting lists. Children ages 4 - 6 are usually easier to enroll.
- Speaking the German language is not a requirement.
- German Kindergartens are a great opportunity for your child to learn German.
- German Kindergarten fees are generally very reasonable and often less expensive than CDC services.
- Registration takes place at each facility and for each program.
- It is necessary to make an appointment by phone to register.
- Opening hours may not be as flexible as CDC (usually don't open until 7 a.m. or later).
- Many Kindergartens are closed during traditional German Holidays and Vacation periods. You will need to find alternative care on your own during these periods.
- Please contact the listed facilities directly regarding more detailed information.
- German Kindergarten is most equivalent to a U.S. "pre-school" or "day care".
- The information provided is a courtesy of CYS Services and ACS, and is not intended to endorse any of the Kindergartens listed.
