

National Finance Center Customer Notification

Date of Notification: February 11, 2013

Subject: H & R Block (At Home) on EPP –Temporarily Unavailable - Update

Database/Customer(s) Affected: All

Dear Customer:

In a notification dated February 6, 2013, the National Finance Center (NFC) informed our customers that the H & R Block (At Home) W-2 import feature located on the Employee Personal Page (EPP) was temporarily unavailable. We have been informed by H & R Block that the anticipated availability of the At Home feature on EPP is Thursday, February 14, 2013.

There is currently no action required on the part of our customers.

Federal employees with questions concerning this notification should contact their Servicing Personnel Office. Authorized agency representatives with questions concerning this notification should contact NFC's Client Management Branch at Client.Management@nfc.usda.gov.

“Tip of the Week”

In addition to printing their W-2 from the EPP, employees can also import their 2012 W-2 information into Turbo Tax or At Home (formally TaxCut). NFC has worked with the software providers to make their products interoperable with the EPP.
