SUBJECT: Pre-solicitation Notice for Project no. E8-44047-1J, Erosion ASP #7 Site, Tormeno, Vicenza, Italy.

Ladies and Gentlemen,

The Government of the United States, through the Regional Contracting Office of Vicenza Italy, intends to contract the projects listed below. The intent of this letter is to advertise this contract bidding as to obtain maximum participation of potentially interested enterprises.

PROJECT NUMBER AND TITLE: E8-44047-1J, Erosion ASP #7 Site, Tormeno, Vicenza, Italy.

DESCRIPTION OF THE WORKS: The purpose of this “design-build” project is to restore the existing slope in safe condition fixing the current landslide in the designated zones at the ASP#7 site. The work will include the geological analysis and performance of the necessary work required to stabilize slopes in accordance with geological survey findings. The primary work to be done includes: removal of unstable soil, addition of gabions, piles, geotextile, metal catching mesh, rock fall barrier, landscape and necessary drains.

APPLICABLE SOA: OG13, classification III.

LOCATION OF THE WORKS: ASP# 7 Site, Tormeno, Vicenza, Italy.

MAGNITUDE OF THE WORKS: Between \$500,000.00 and \$1,000,000.00

HOW AWARD WILL BE MADE: Section 00100 of the solicitation will describe the method.

TYPE OF THE CONTRACT: Firm Fixed Price

LENGHT OF CONTRACT: The lenght of contract is established in 180 calendar days from issuing of the notice to proceed.

SITE VISIT: Will tentatively be held on 04 June 2012 at 09:00 hrs. Further notice about date and time will be provided shortly.

SITE VISIT MEETING POINT: Highway A4 Exit, central parking lot to your left existing the highway, where, Government bus transportation will proceed to the military installation. It strongly recommended to be present at the meeting point at the established time. Only the company representatives that will have furnished in advance their ID data via e-mail or already in possession of a US Installation Pass will be granted access to the military installation. The Government is entitled, through its security guard forces, to verify ID documents of every person participating to the visit. The access to the military installation will be denied to the personnel that will result unregistered.

ADDITIONAL INFORMATION: Contractors will not be charged for solicitation documents.

PARTICIPATION REQUEST SUBMISSIONS: Vendors that are interested to participate to this acquisition shall send an e-mail no later than 24 May 2012 to the following address:

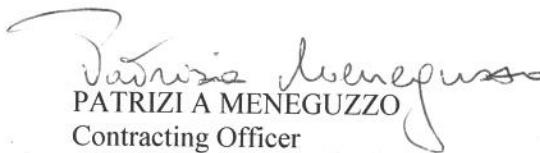

elisa.marchetti.ln.asc@mail.mil
