**SUMMARY OF CHANGES**

## SECTION SF 1449 - CONTINUATION SHEET

The following have been modified:

## 52.212-2 EVALUATION--COMMERCIAL ITEMS (JAN 1999)

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

Considering Lowest Price Technically Acceptable.

The quotes be based on the following:

1. Technical Ability:

Technical evaluation factors are based on the ability to empty and clean the different types of greases traps, Septic tanks, Blow-down tanks, and flushing of sewage lines specified in accordance with the performance work statement. Disposal of the resulting material or waste will be conducted in accordance with Codice Europeo Rifiuti (CER) and all applicable Italian laws and regulations.

The Offeror shall establish and maintain a complete quality control plan and submit to the Contracting Officer Representative for acceptance and approval.

2. Price:

Prices are to be **Firm Fixed Price** (inclusive of labor, material, indirect cost, transportation, profit)

Technical ability is approximately equal to price.

(b) Options. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

(c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.
