

Name: _____ Date: _____ Date Due: _____

I will be attending AHS next year? ___yes ___no ___not sure

You must have a total of 7 courses- remember some courses are only worth .5 credits. If a course is only worth .5 credits it will be noted. You must have at least 2 alternates chosen. Prioritize with putting a #1X for your first choice and a #2X next to your second choice. The "t" box is for the teacher's initials to indicate their recommendation. This is critical for Advanced Placement courses.

Core Courses:

English and Social Studies
