Freshman-Sophomore-Junior Photos

- * Attention underclassmen! Underclassmen school photos will be taken during language arts classes on **August 29** and **30**, so be ready to smile!

Senior Class Photos

- * Senior portraits will be taken on **August 24** in the school cafeteria. There will be a **\$20** sitting fee for the full range of senior photos, so come prepared! If you do not have the sitting fee, you will only take the standard two senior photos (cap and gown and formal). There will be a sign-up sheet in Ms. Buckner's Classroom, 404, until Thursday, June 14 and over the summer it will be in the office until about August 20. For the formal photos, gentlemen will need a white shirt & tie and ladies will need a top that will allow the "drape" to be used advantageously. Restrooms are conveniently located for any changes.
