Blue Grass Army Depot

Relevant, Diverse, Unique

Sept 2010

Training Opportunities

Blue Grass Army Depot offers multiple Military Occupational Specialties (MOS) training opportunities to all Army components as well as all DoD Joint Services.

Blue Grass Army Depot is a multi-functional ordnance depot with expertise in ammo storage, shipping, maintenance and demil. However, BGAD's Military Training Program (MTP) is designed to support training needs for both ammo and non-ammo related units. Units can offset their training costs through direct support of BGAD mission workload.

Ordnance-Related Training Options:

- **Standard/Non-standard Ammo**
- **Material Handling Equipment (MHE)**
Super Stackers, Forklifts, etc.
- **Shipping and Receiving**
- **Lot Segregation and Palletizing**
- **Blocking and Bracing**
- **Storing and Re-warehousing**
- **Inventory**
- **Transportation**
- **Rail Operations** (*home to 1151st TROC*)
- **Surveillance**
- **Security**
- **Maintenance**
- **Conventional Ammo Demilitarization (w/Demo Grounds) and...**

Mobilized Ordnance Specific Training

M.O.S.T. is BGAD's 3-week pre-deployment and/or sustainment training program for ordnance units to meet their munitions training objectives. **MOST INCLUDES:**

- **Classroom Ammunition Training**
- **Hands-on Specific Technical Training**

BGAD Military Training Program **MP**
