

Webcast to Discuss Questions related to Industrial Carbon Capture and Storage (ICCS) Technology Area 1 Phase 2 Renewal Applications

DOE/NETL has received several questions from ICCS recipients regarding preparation of "Phase 2 Renewal Applications". NETL has scheduled a Webcast for Thursday, February 25, 2010 at 1pm Eastern Time, to discuss and provide answers to many of these questions. Questions and answers will be posted on the NETL website.

Additional questions may be submitted through your NETL Project manager throughout the Renewal Application process. NETL will respond to these in writing and post them on a web site for all Phase 1 Recipients to see. This web site is currently under construction, and a link will be provided in the future.
