Telephone Tips

Most phones at Dyess have the 696 prefix. When calling the base from off base, dial the prefix and then the desired four-digit number. The area code for Dyess and Abilene is 325. The Dyess DSN prefix is 461. To call from one 696 number to another, dial 696 and the four-digit number. To call off base from an on-base phone, dial 99, wait for a second dial tone, then dial the desired number. To use DSN, dial 94, wait for a second dial tone, then dial the seven-digit number. The Dyess information operator can be reached at 696-3113.
