This dress code is designed to be a religiously neutral, mandatory, universally applicable code. However, we recognize that in some unique circumstances, accommodations (exceptions) to the dress code based upon either medical or religious justifications are reasonable and appropriate. Nevertheless, the mere fact that a request for accommodation is made sincerely and supported by the appropriate documentation does not mean that it will automatically be granted. The school must also determine that the requested manner of accommodation is "reasonable" in the light of all the facts and circumstances.

## Standardized Dress Code Policy

Fort Bragg Schools adopted a standardized dress policy for middle school students beginning fall 1999. We know this policy helps foster an environment of school pride and improves our safety, order and discipline while maintaining focus on academic achievement. The first requirement of quality education is to create a safe and disciplined learning environment. The development of our standardized dress policy is based on research and survey results from parents, teachers and students. **The objective of the policy is to minimize disruptions and distractions that can be caused by inappropriate attire.**

The guidelines set forth are to curb distractions and keep the focus of all students on academics. The policy includes all students sixth through eighth grades. Faculty members have their own dress code as prescribed by their contract. A Fort Bragg Middle School standardized dress code section should be available in the PX during the summer. Items may also be purchased at any other store and through PTO vendors.
