Quarterly Town Hall Meeting

The Quarterly Town Hall Meeting will be held on Thursday, 10 May in the Courtney Theater at 1800. Each quarter, the Camp Commander holds this meeting to reach out to Camp Courtney and Camp McTureous residents, pass word, and hear concerns. As in the past, representatives from United States Air Force 718 CES will be present to provide general guidance and updates on housing projects and renovations. Additionally, housing representatives will stay behind to answer more personal questions regarding specific housing units or issues with residents after the meeting.

The Town Hall Meeting is a unique opportunity to interact directly with the Camp Commander and his staff who run Camps Courtney and McTureous, while hearing the latest news and information. Besides this opportunity, though, it's a great chance to get to know some new neighbors and play an active role in the Camp community. Who knows? Maybe you'll learn about a new event for your family or be able to help out a neighbor with similar interests or experiencing a similar problem.

Over the past year, Camp Courtney has worked to make the meetings more inviting by including student presentations, concessions, and fun giveaways. Ms. Mitchell's Fourth Grade Class will be singing a song and the Bechtel Elementary Student Council will be updating residents on their school goals and all the exciting learning taking place at our neighborhood school. Also, don't lose your raffle ticket while munching on your popcorn! The Camp Commander will call the numbers quickly to give away some great prizes!

While the Town Hall meeting may be held once a quarter, don't forget that you can reach out to Camp Courtney Camp Operations 365 days a year with suggestions, questions, and concerns. We're located in Building 4333, behind PMO and can be contacted at 622-9596. Or, you can email us at CampCourtneyCampOperations@usmc.mil and see the latest news by searching Camps Courtney and McTureous on Facebook.

We look forward to seeing you and your neighbors Thursday night!

Camp Commander's Message

Greetings to all.....many have been away for a bit for a variety of training exercises. Glad to see most are back now and also looking forward to the summer months here on Courtney and McTureous.

Want to thank all those that participated in the planter box effort as part of Earth Day over by McT main gate – great job. And to those that supported or took the challenge by participating in the Courtney Triathlon last weekend – turned out to be good weather and a strong event.

There's not too many places you can now go around Courtney/McTureous without hitting/seeing some form of construction – but it's all for a purpose and towards long term quality of life. In addition to the ongoing housing renovations, we're also improving the main power lines, force protection barriers, and you'll soon see a new street pavement project start up. Goal is to always keep this work as low impact to the tenants and residents as possible – please hang in there and I ask for your support as these projects continue. Another goal of ours is to provide as much advance notice to you as well....so that you can plan accordingly for power outages, etc....

Town Hall Meeting - Thurs 10 May at the Courtney Theater - come out and get all the latest news from the camp and across Okinawa.....plus bring your neighbor.

Camp Sergeant Major's Message

Hello all. We are entering the 101 Critical Days of Summer. I ask that each of you ensure that you and your children are aware of the safety procedures and the dangers associated with the water. There are many fun things to do on the island during the summer make sure you check the MCCS website so you don't miss anything and be safe!

R. D. Thresher

Camp Director's Message

Same guy, new title! Yes, I am the one formerly known as the Deputy Camp Commander. I and the fellow deputies around the island were required to change our title to Camp Director due to a review of civilian regulations. Same guy, same job, different title.

I hope each of you took notice of "Golden Week" in Okinawa. If you didn't know it was "Golden Week", I'm sure you at least saw the fish banners hanging over the Tengan River. These are Carp Banners and they signify good luck in the coming year. Camp Courtney hosted several children's groups this month in celebration of Golden Week and a big thank you to all of the Marines who volunteered their time to help these events.

Thank you for your patience during the construction of our new barriers at the gates. These will provide us an extra measure of security we did not have. Additionally, you will begin to see road paving projects throughout the next year. Please be patient with us as we close sections of the roads and parking lots. Our roads need paving!

Don't forget that Typhoon Season is here. Get to the PX and Commissary and put together your typhoon kit. Also, tell your neighbors if you are leaving the area for more than a couple of days so someone can watch over your house. If you have someone you trust to give access to your house, they can ensure it survives the typhoon. A flooded tower unit was one of the biggest issues we had last year because no one had access to a neighbor's house while they were travelling.

Second Annual Camp Courtney Triathlon

On Sunday 29 April, 150 athletes trekked across Camp Courtney as part of the second annual Camp Courtney Triathlon, sponsored by Marine Corps Community Services (MCCS) Semper Fit Athletics. Swimmers clad in wetsuits began the morning with a plunge into the chilly, but calm waters off Courtney Beach, paddling buoy to buoy on their way back to the shore. Once on terra firma, road bikes and mountain bikes sped around the twists and turns of the course, carefully coming out of the saddle to stay upright through the sometime-sharp corners that were part of the race. After skidding to a stop at the end of the bike course, shoes pounded the pavement as runners pushed hard to the finish line, defeating one final hill with the help of cheering fans.

Congratulations to the winners!

Overall Male Mountain Bike: William Schrader
Overall Female Mountain Bike: Mary Mohler
Overall Male Road Bike: Stephen Armes
Overall Female Road Bike: Mitsuki Gima

Mr. Brian White, a Courtney Athletics Sports Coordinator, was happy to see a successful event with so many participants. “At 150 participants, we maxed out our sign-ups.” The race was open to both SOFA status and non-SOFA individuals, which provided an opportunity to interact with our neighbors and compete in a friendly manner. Additionally, Mr. White noted the uniqueness of being able to include an open water swim due to Courtney’s beachfront location. The open water added a significant challenge to the participants and added to the value of the event.

The next triathlon is at Camp Kinser on 20 May. See any MCCS gym for details or to sign up!

Golden Week Bowling

Marines and local families from the Urawa Shelter celebrated the beginning of Golden Week last Saturday with a taste of American culture, including bowling, pizza, and a tour of the Courtney Commissary. Over forty children and their families took part in the event, which wouldn't have been possible without the support of the Single Marine Program, Camp Courtney Young Marines, and the Boy Scouts.

Attendees arrived by bus in the morning to the bowling alley and practiced their skills, trying not to drop the heavy balls on their toes!

Pizza and soda arrived at lunch time, as the Marines shared a meal, smiles, and laughs with their local guests. Afterwards, the bus departed to the Commissary, where Mr. Ichiro Umehara, Camp Courtney Community Relations Specialist, and Mr. Jeffrey Dusich of the Camp Courtney Commissary gave the visitors a tour of the American-style grocery store. The families were thankful for this memorable start to Golden Week!

What's new around Camp Courtney?

Here's the Rainy Season

It was officially announced the rainy season started on 28Apr.

The rainy season usually lasts until around "Irei no hi" (Memorial Day for the War Victim) which is on 23June.

June bride

After the rainy season, you might be invited to an Okinawan wedding party.

We usually bring "Wedding money" in a special envelope to the party.

They're sold at any 100yen store.

Before you buy the envelope, ask your Okinawan/Japanese friends for some help and advice.

You can choose simple envelopes which are easy to use; however, I prefer the well decorated ones for weddings.

Red/white (with gold or silver) decorated ones are for happy events; however,

Pre-"kanji" written on the top might be for "New baby", "Recovery", "Congratulations" and others.

Make sure to note the purpose before you buy!

*Black/white(with silver sometimes) decorated one is for a funeral or memorial service.

1) Put your money in the inner envelope. 1,000- 10,000yen bill is average in Okinawan wedding

*However, even-number like 20,000 is not good. "Dividable" number is unlucky for newlyweds.

*prefer to using brand-new bill or un-fold-ish bill

2) Write the amount of money on the front of the inner envelope in "old fashioned-Kanji" if you can.

3) Write your name and address in the left side on the back of the inner envelope.

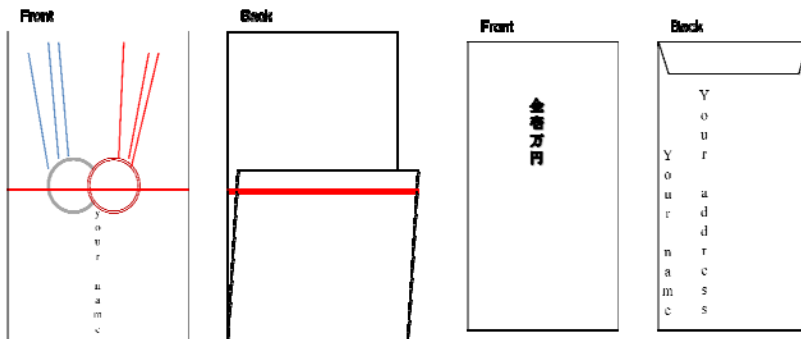

4) Write your name in the center below on the wrap envelope.

5) Put the inner envelope in the wrap envelope.

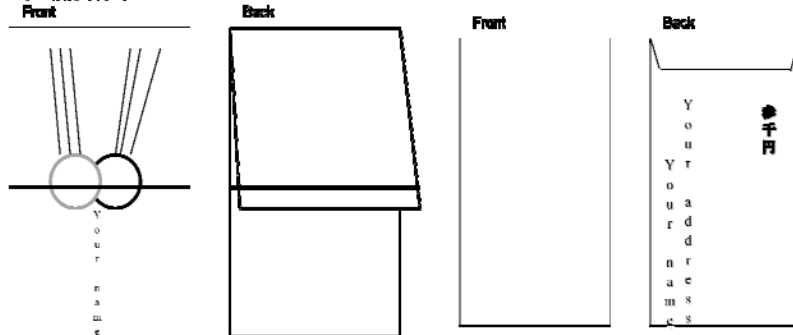

6) Make the bottom flap over the top flap so that "the luck goes up"

*for funeral/memorial services, it's the opposite. The top flap comes over the bottom one.

Courtney Girl Scouts opening ceremony for the last Girl-a-palooza May 1, 2012

We are coming to the end of another great Girl Scouting Year!!

Courtney Girl Scouts would like to thank all of its fabulous volunteers for all of their hard work!! We would not have had all the fun this year without you!!

To my OCMT:

Erica Teal, you're the best secretary and friend a person could ask for!!

Claudia Sandoval, no matter what we throw at you, you always come through for us!!

Carrie Bostick, You keep us straight on our names and numbers and worked overtime when all was lost!!

Jenny Fletcher, You squared our hut away and made people take notice.

And lastly me, **Traci Crites**, totally rocked this year and made it Fun Fun Fun!!

No, seriously, it has been a real pleasure being the Overseas Chairperson for The Camp Courtney Girl Scouts but sadly it is time for me to rotate. So we are in need of someone to take my place. If you are interested just email me at oc-chair@courtneygirlscouts.com and I will get you all the information you need!!

Early Bird Registration is going on now for next year contact Carrie Bostick at

Responsible Pet Owner, Community Improvement, and Environmental Stewardship in **ONE SCOOP**

By
Alexndria Buttram
Senior Girl Scout Troop #125

Hello, my name is Alexandria, and I am an Ambassador in Girl Scouts. I have been a Girl Scout for ten years. Two years ago I got my Silver Award by planning an eco-fashion girl leadership summit that culminated in the climb of Mount Fuji. This year I am earning my Gold Award. A Gold Award is the highest honor a Girl Scout can earn.

Bag
Dispensers

I would like to improve the appearance of my military community by getting rid of all of the animal feces lying around Camps Courtney and McT. I walked around on two occasions, and counted up all the poop I found: I found 71 piles on Camp Courtney and 20 piles on Camp McT. Not only is poop ugly and stinky, it's bad for your health. Exposure to animal excrement can cause ringworm, intestinal illnesses and kidney disorders. I think that as well as putting people's health in danger, the beauty of Camps Courtney and McT is declining because of the feces left on the sidewalks and in the road.

My Gold Award will be implemented in stages. The first stage is plastic bag dispensers where you can find an extra bag in case you forgot yours OR if your furry friend already used up the one you brought with you!

The second stage is plastic bag collection stations located at the Shopettes on Courtney & McTureous, and the Exchange on Courtney Shops. Now, rather than putting your plastic bags in the garbage, or even in recycling where it takes environmental resources to make them into something new ... you can simply drop them off at one of the plastic bag collection stations that will be coming soon!

The third stage is to install additional Dogipots and bag collectors so you won't have to carry that bag with you as far as you do now!

Wondering what you can do to help your community?

1. Pick up dog poop. Even if it's not yours. We can all leave our community better than we found it.
2. Reuse your plastic bags... put them in the collection bins that will be located at the shopettes on McT and Courtney and the Exchange on Courtney shops, or refill the bag dispenser nearest to your home, and definitely use them to pick up your dog's poop.
3. Get involved!

Yard of the Month

Congratulations to the Lloyd Family, winners of May's Yard of the Month! Their huge array of potted plants looks great!

Make Your Okinawa Home By: Jerilyn Geist

Welcoming and making our base entrances a friendlier place for all of us, especially newcomers and Japanese visitors is important to me. As my Girl Scout Gold Award Project, I have chosen to organize the planting of the planters at the front gates of Camp Courtney and McT. Helping to beautify the entrances by planting greenery in the planter barriers were started in April as part of the Earth Day celebration.

Fund raising efforts to help pay for this project will be done during the three weekends during May and during the summer months. Starting in September the youth of Camp Courtney and McT will be asked to help with the planting to beautify the base entrances and help "make Okinawa like home".

For more information about my beautification project contact Camp Operations at CampCourtneyCampOperations@usmc.mil.
